

Sister Circle Partnership Form

About Partnership!

This is an awesome opportunity for you to partner with Sisters in Ministry this year. When you become a **2010 Sisters in Ministry Sister Circle Partner** for an annual tax deductible gift of at least \$25.00, you can make an eternal difference in the lives of women in ministry throughout this city, state, and country.

For over 6 years, SIM has hosted numerous events including, prayer breakfasts, conferences, training days, mentor programs, and many others. All of which were designed to encourage women in ministry, give them an opportunity to develop their ministry gifts, and spread the gospel of Jesus Christ. In addition to our annual events, we also host "road trips": ministry outreach to encourage those serving in outlying areas, and we maintain a website and newsletter.

Each year, we take the opportunity to give back to the community. Since 2007, we have conducted regular worship services at Union Rescue Mission (Downtown Los Angeles "Skid Row") and held a very successful "street revival" last year. In 2009, we also launched the "Healthy Sisters, Healthy Lives Mentor Program" in Los Angeles and the Inland Empire, a community and faith-based collaboration for young females ages 12-21 regarding women's health issues and overall personal growth and development!

Sister Circle Partner Levels

All 2010 Sister Circle Partner levels will receive 20% off on Sister Circle Store products where available, and an invitation to the exclusive annual *Sister Circle Partnership Appreciation Dinner in February 2010*.
